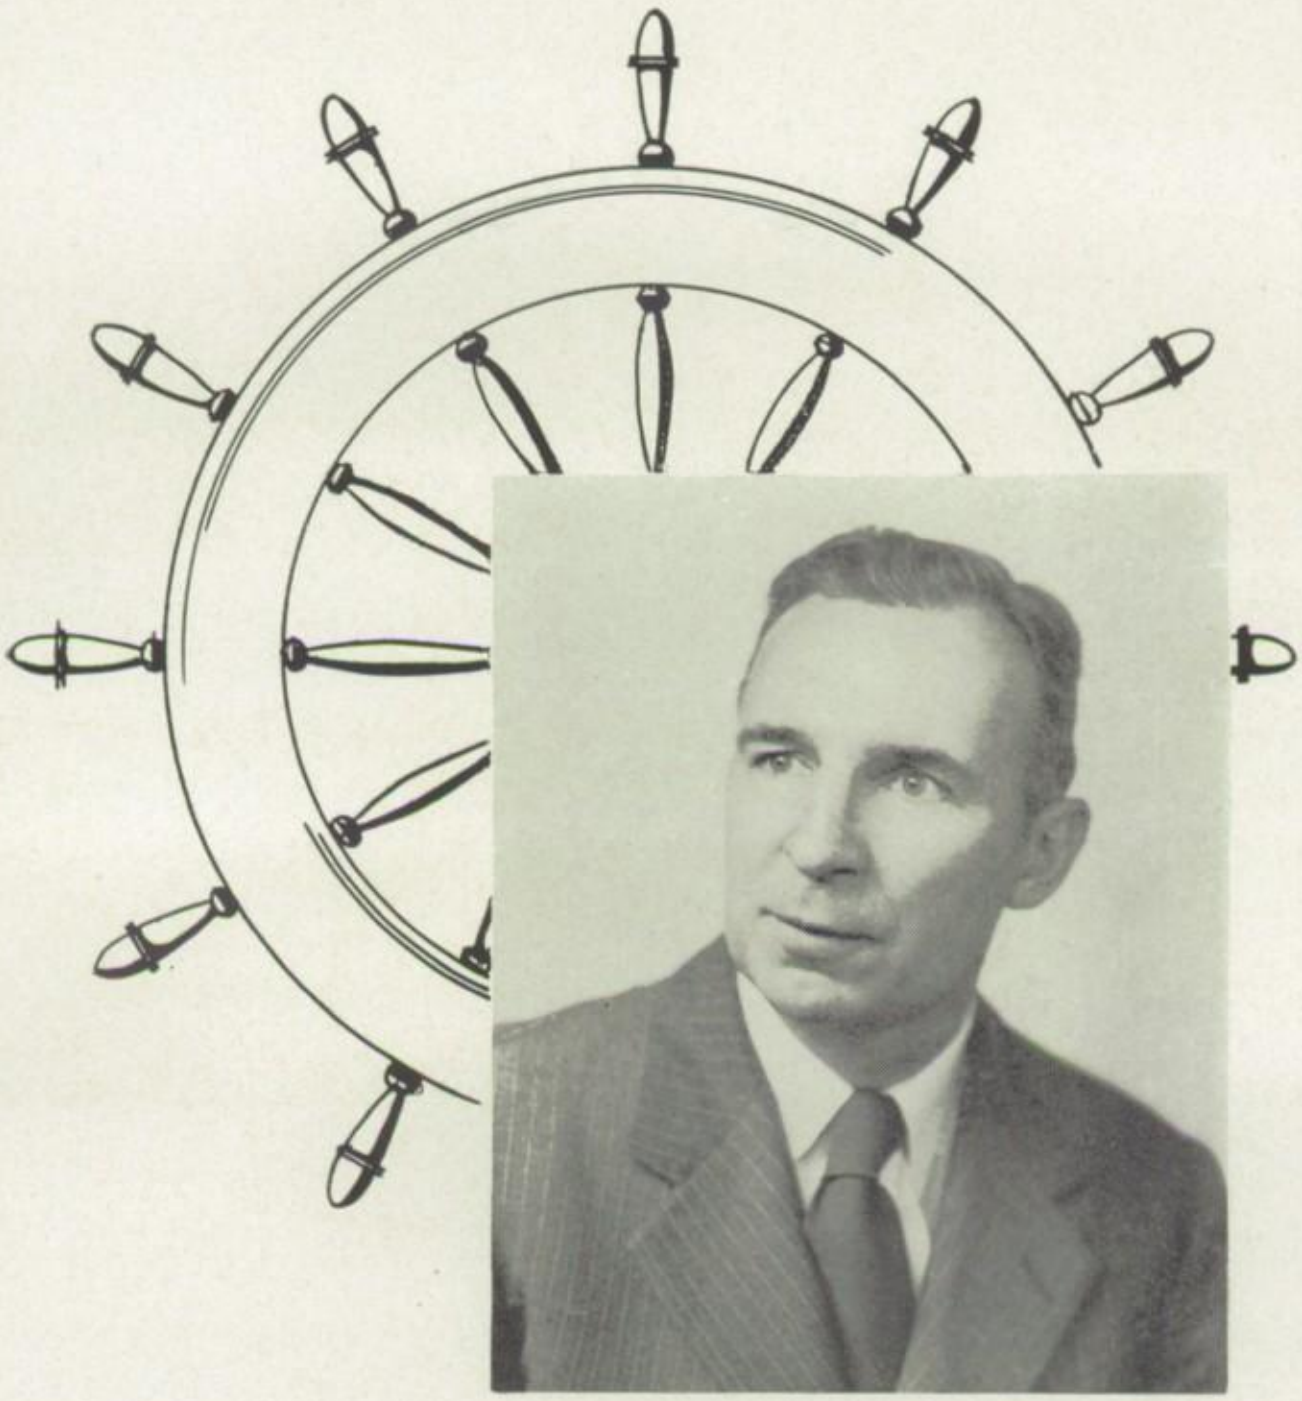
Foreword

As ships carry their passengers over calm or rough waters to the threshold of their destination, so has Manheim Township High School carried us over these waters to the threshold of our destination. For this reason we, the Class of 1952, chose a nautical theme for our volume of the NEFF-VUE. This book gives an account of our voyage on the good ship Manheim Township.



Dedication

In dedicating our year book, we recognize a man who has given many years of faithful service to our school. Whether in the classroom, on the gymnasium floor, or on the playground, he has given unstintingly of his time and used his wholesome influence to promote the well-being of those entrusted to his care.

Therefore, in grateful appreciation of his many services, we, the Class of '52, proudly dedicate this our volume of the Neff-Vue to Mr. Wilson K. Lewars.

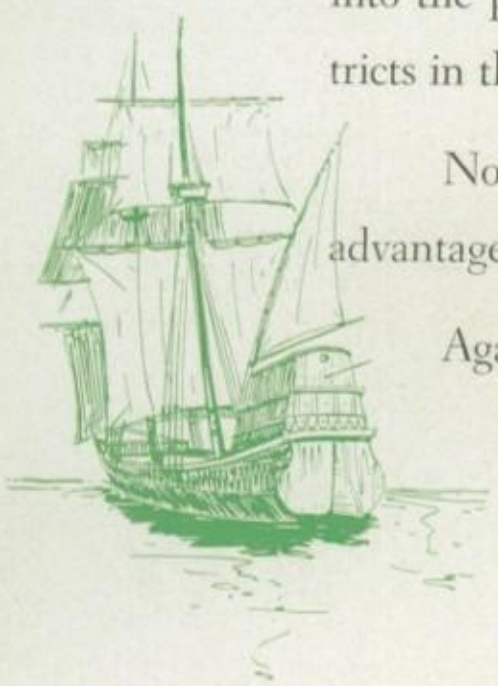
Our Navigators

(School Board)

The Class of 1952 is indeed grateful to these eight school directors who have willingly given up their time to steer the "Good Ship M.T.H.S." into the ports of one of the best operated and most progressive school districts in the state.



No job is too small for these helmsmen as is evident in the many advantages our school district possesses.

Again, our caps are off to these great navigators.

Ship Commanders

WILLIAM E. NITRAUER

An unsea-worthy vessel has never successfully reached its destination nor has an ill-managed school system ever succeeded in giving a proper education to its students. Consequently, we would like to extend our appreciation to our supervising principal, William E. Nitrauer, for helping us, through a sound school system, to achieve our education.

ARTHUR R. OTT

As no ship is complete without a steersman, so is no school complete without someone to guide its activities and lead each individual through the course of his high school voyage. Therefore, to our principal, Arthur R. Ott, we would like to render our many thanks for making ours a successful journey.

GALLEY HELP

To those women upon whom fell the task of satisfying the appetites of the large crew and passengers of the M.T.H.S. goes our many "thanks". Throughout the year, these women have successfully met the need for both nutritious and delicious food.

JANITORS

The shining decks of the M.T.H.S. can be attributed to the labor of these two men. Keeping things sparkling and repaired in spite of the wear and tear they received was no easy job. Our many "thanks" to Messrs. Edwin Reidenbaugh and J. Milton Miller.

BUS DRIVERS

A job involving the importance of safely transporting busloads of pupils to and from school certainly deserves to be recognized. The students of M.T.H.S. join their voices in a "Thank you" to these, our bus drivers.

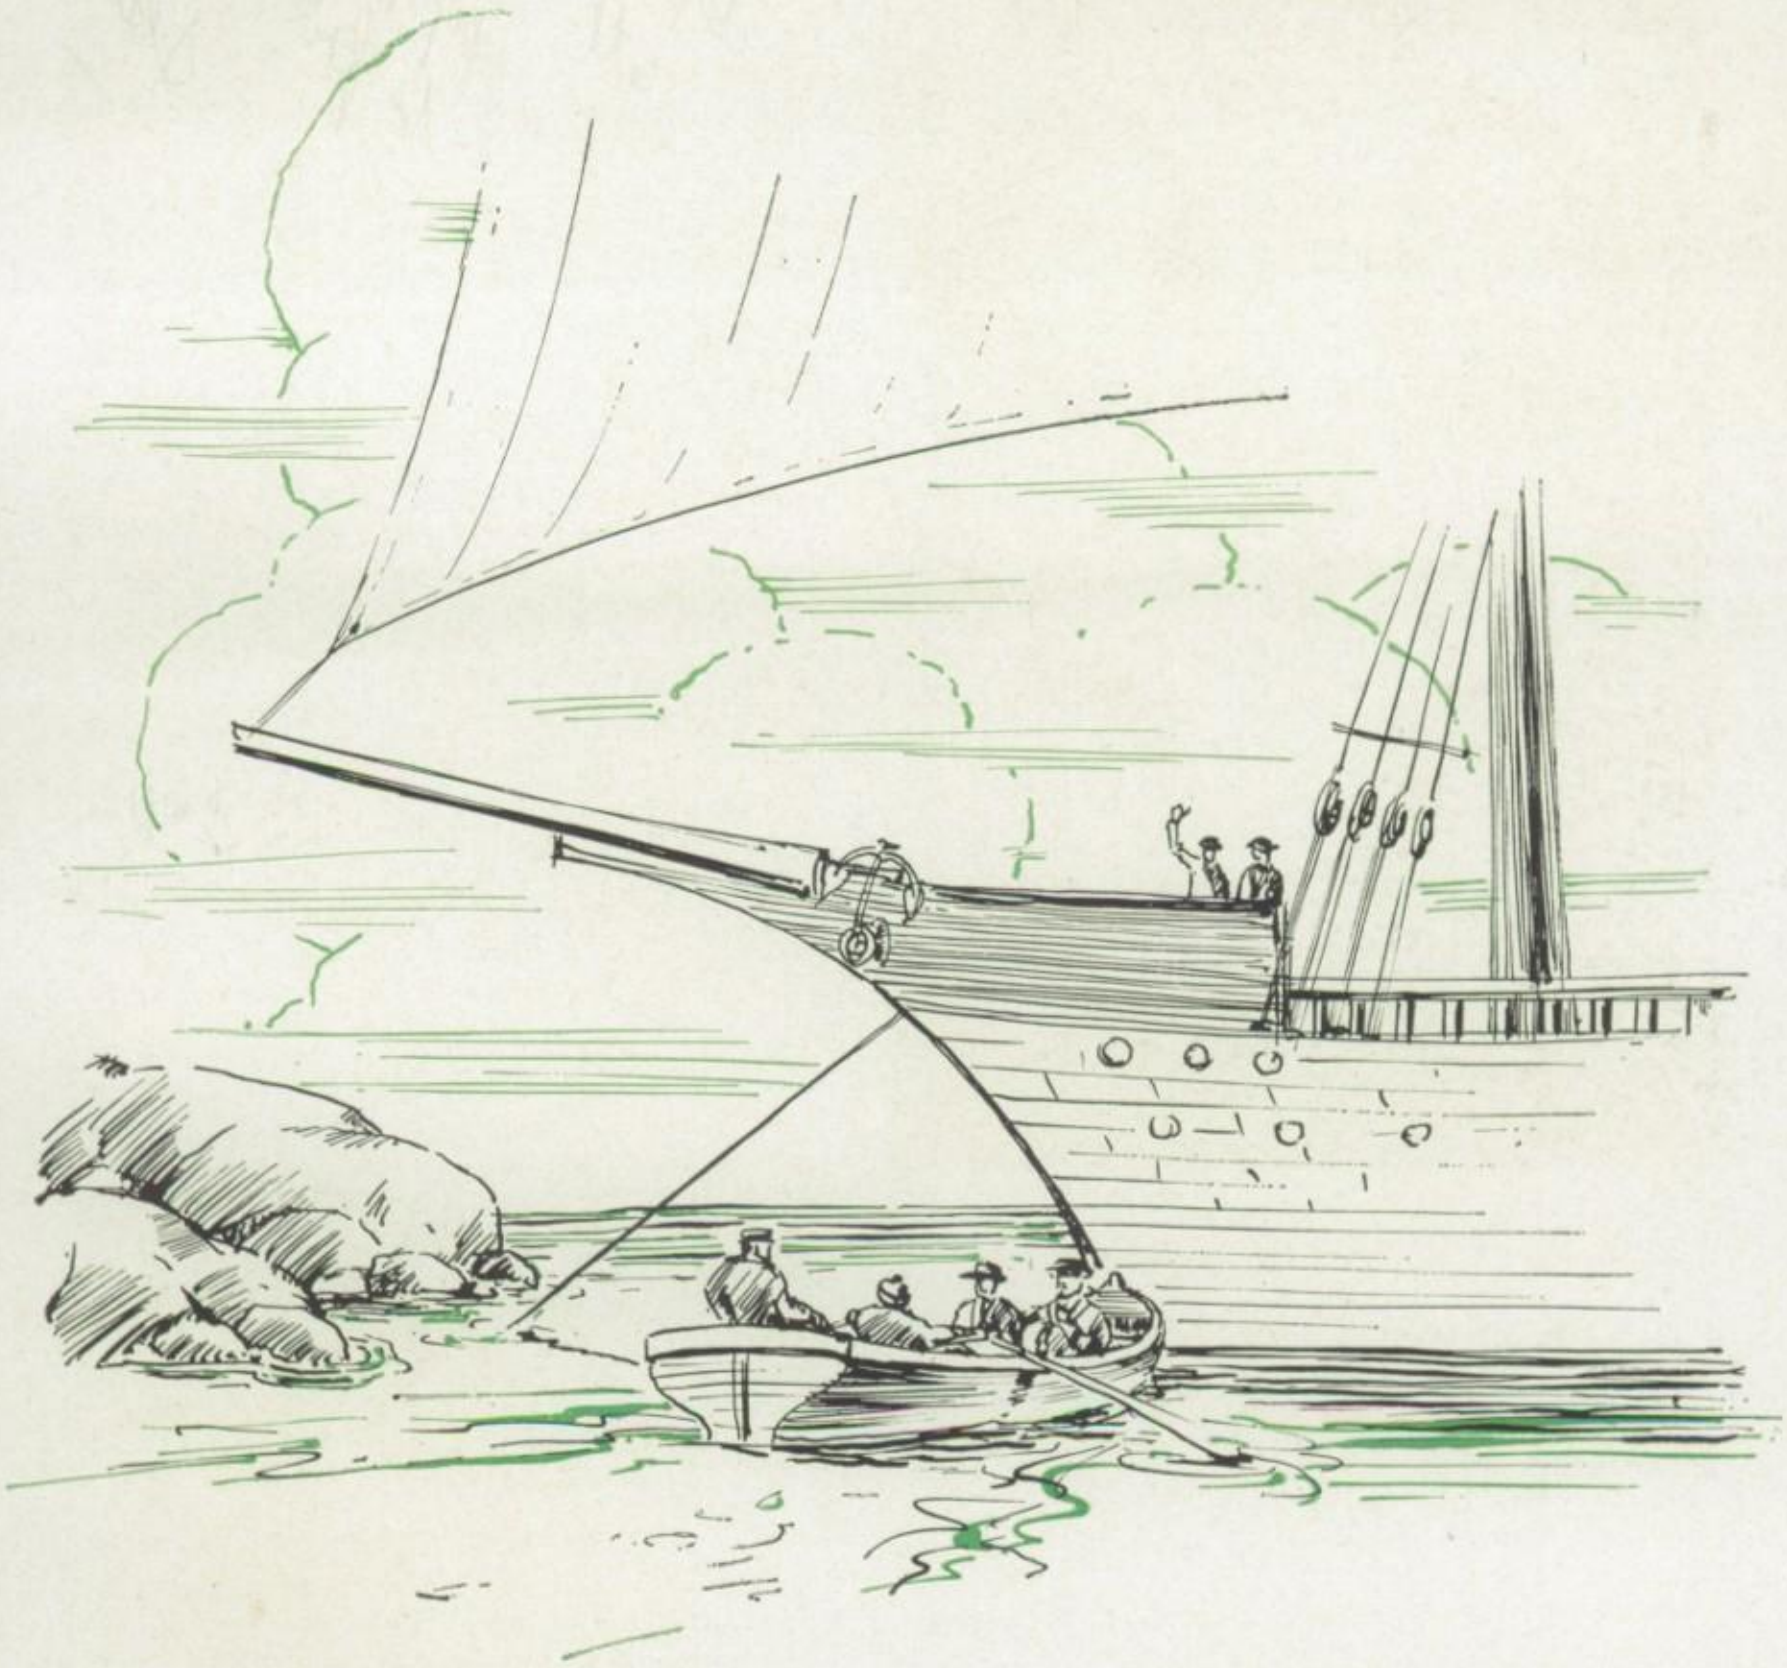
Seamen First Class

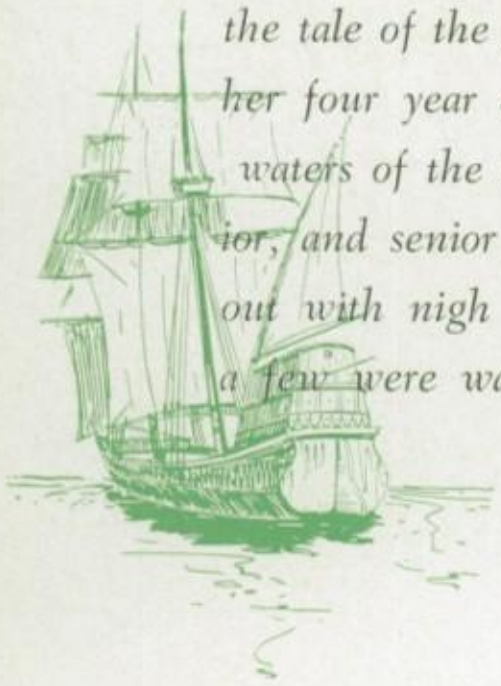
(Seniors)



As we reach our destination, we bid farewell to those on board ship and to each other as we go our separate ways.

CLASS HISTORY

Gather round, maties, and I'll tell ye the tale of the good ship "Emtee 52" and her four year cruise through the stormy waters of the freshman, sophomore, junior, and senior school terms. We started out with nigh unto 100 passengers, but a few were washed overboard along the



DONALD AGESEN

Tall and blond with attractive blue eyes describes "Don" who has an abundance of friendliness—and is always ready for laughs and fun, and also to chauffeur fellows home from school.

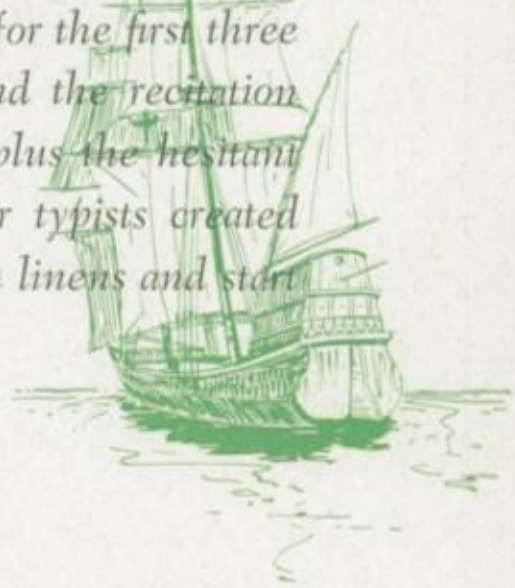
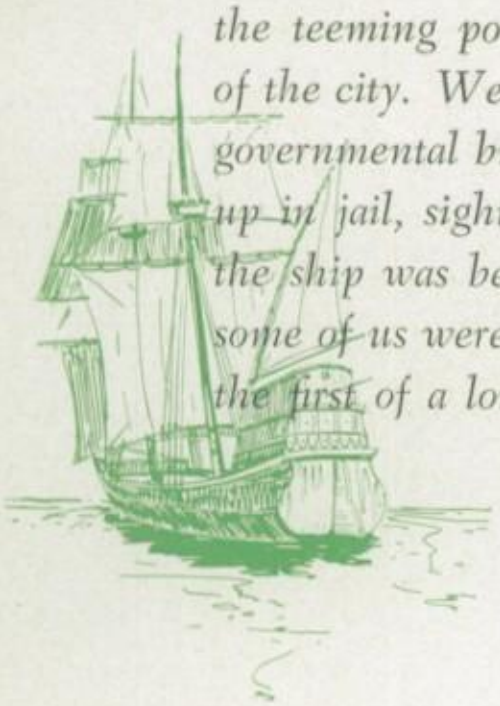
way and we ended our travel with about 90 survivors left.

When we weighed anchor, our destination seemed a long way off, but Cap'n Stover, who was our pilot for the first three years, hoisted the sails and the recitation of our Latin declensions plus the hesitant pounding of our first-year typists created enough draft to stretch the linens and start



us on our way. After sailing smoothly through the first semester, we moved into the teeming port of Lancaster for a tour of the city. We visited the main civic and governmental buildings and finally wound up in jail, sight-seeing, of course. While the ship was being drydocked for repairs, some of us were invited to attend a dance, the first of a long line of this kind, spon-



JOHN BRUBAKER

Hard-working, sincere "Johnny" won the acclaim of his fellow students for his willingness to cooperate whenever needed. His teasing smile and gay manner stirred up many an entertaining situation.

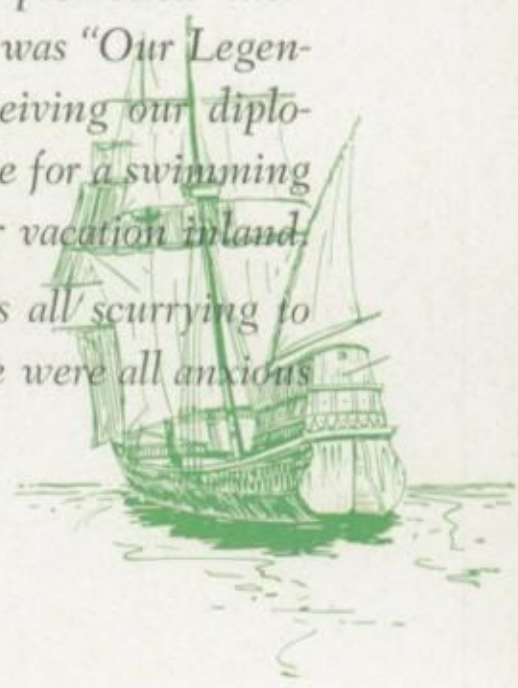
sored by our naval sisters, the Girl Reserves. Shortly after, we all proudly took part in our ninth grade promotion exercises, the theme of which was "Our Legendary Heroes". Upon receiving our diplomas, we invaded Brookside for a swimming party before spending our vacation inland.

September brought us all scurrying to the docks, however, as we were all anxious



to start the second leg of our cruise. Before we had a chance to bring out the topsails, we entered into the year's first activity, that of ordering our class rings. Social affairs and schoolwork kept our leisure occupied, and then at Christmas time, we formed a coalition with the juniors and seniors to present an informal dance, "The Snow Ball". Nearing the end of our year's travel,

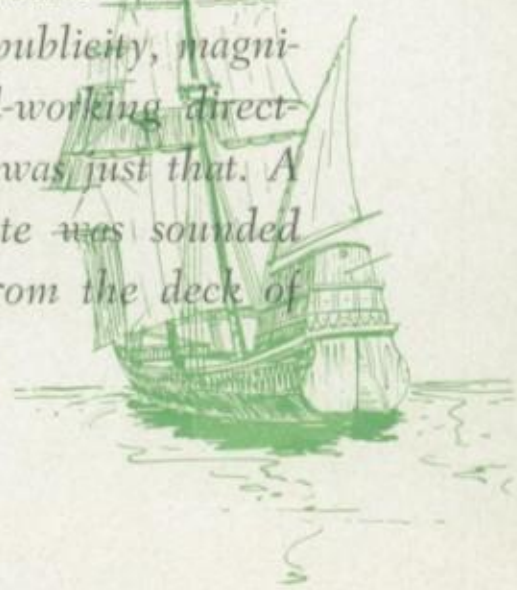
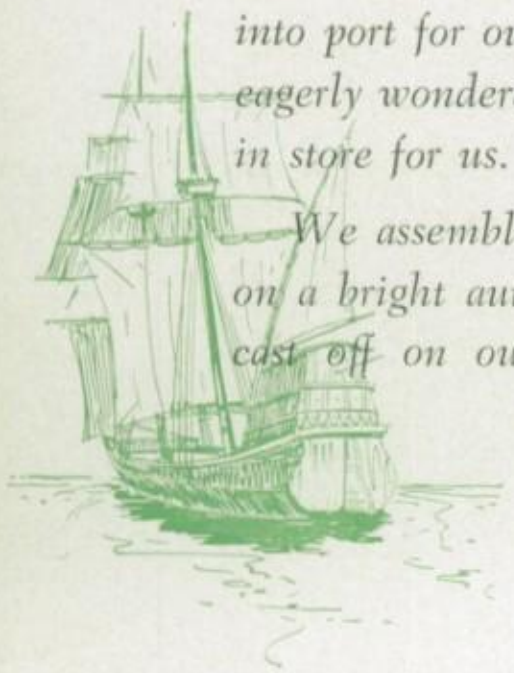
junior play. After reading quite a few manuscripts, we decided to present "Sky High". The committees and cast worked feverishly to make the production a succes and behind excellent publicity, magnificent acting, and a hard-working directress, Miss Hazel Kerr, it was just that. A booming twelve-gun salute was sounded in honor of this event from the deck of



"Emtee". The rest of the year was spent doing homework and participating in extra-curricular activities. As we floated into port for our summer vacation, we all eagerly wondered what the next year held in store for us.

We assembled on the bow of the ship on a bright autumn day and prepared to cast off on our final expedition. With



LOIS KING

Reliable and sincere, Lois is always willing to lend a helping hand. As a confidant, she is sympathetic; as a member of any organization, she is a conscientious worker; as a friend, she is tops.

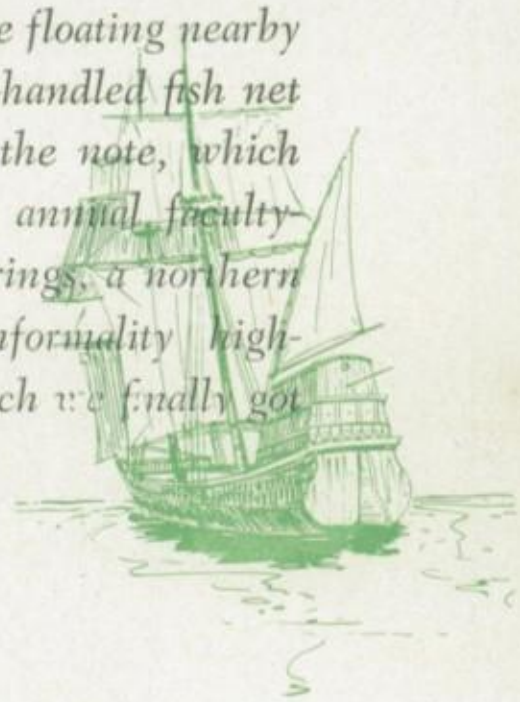
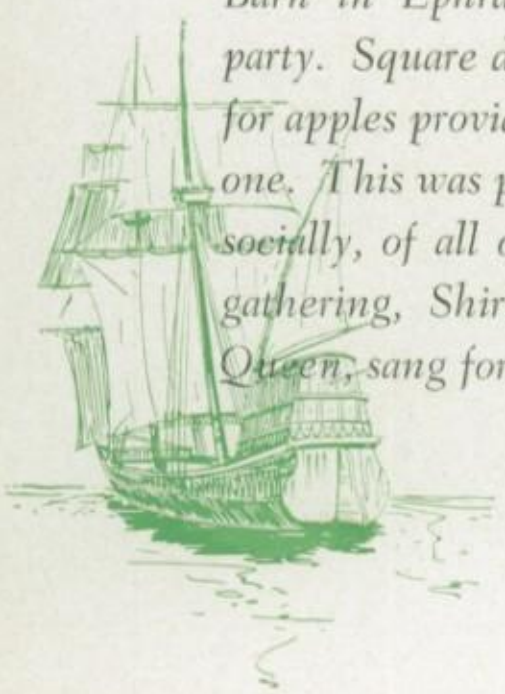
Cap'n Wertz now taking over at the helm, we had just rigged the masts when the look-out aft spotted a bottle floating nearby with a note in it. A long-handled fish net produced the bottle and the note, which was an invitation to the annual faculty-senior picnic at Lititz Springs, a northern port. Barbecues and informality highlighted this outing, at which we finally got



to understand (?) our teachers. We then turned "hillbilly" and met at Gerhart's Barn in Ephrata for a class Halloween party. Square dancing, cider, and bobbing for apples provided plenty of fun for everyone. This was perhaps the most successful, socially, of all our class activities. At this gathering, Shirley Ruth, our Halloween Queen, sang for us her rendition of "Can't



JOHN MATTESON

Although John is new at M.T.H.S. this year, he has won a host of friends. His part as "Larry" in the senior play and his overwhelming enthusiasm have proved him a worthy addition to the class of '52.

Help Lovin' That Man". Our next big doing was the production of our senior play "Turn Back the Clock". Once again our Thespians—this time under the very capable direction of Mr. Russell Berkheimer—were a big hit. Entirely different from our junior portrayal, which was a modern mystery comedy, this play's main action took place in the "flapper days".

the roaring twenties. This successful venture also rated a twelve-gun salute from "Emtee". Supporting our numerous athletic games and cramming for college boards and semester and term finals demanded the majority of our time from then on, but in our leisure, we swabbed the decks, polished the rails, and touched up the paint job from stem to stern in an

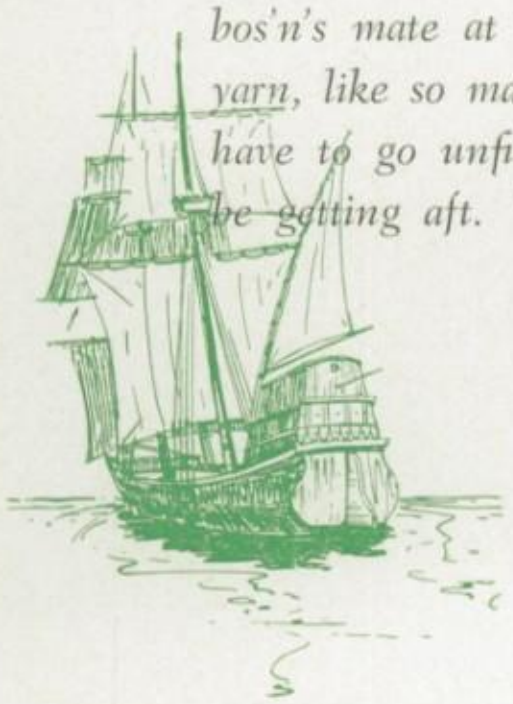
day came and – whoops. What's that? Eight bells. Hmmm! Time to relieve the bos'n's mate at the wheel. I guess this yarn, like so many other good ones, will have to go unfinished. Well, I have to be getting aft. Thanks for listening.



Class Will

One bright day as the Class of '53 was sailing the ocean blue, the first mate spied a glittering speck in the far off horizon.

One by one, all the members of the class wandered up to the railing. After an hour or so, the speck bobbed closer to the ship and they realized with a start, that there were bottles floating along on the blue sea.

The second mate took a net and as the bottles came beside the ship, he gathered them up and pulled them on board.

There was a tag attached to the first bottle saying, "This is the last will and testament of the class of 1952, from Davey Jones' locker. We hope this will be found by the Juniors and with it goes our wishes for good luck and happiness."

Some were a bit water-logged and others were ink-smeared, but after long hours of work and concentration, this is what was revealed.

OUR DESTINATION IS IN SIGHT

Ahoy, Mates! Gather round while we, the Class of 1953, peer through the telescope to look behind us and beyond at all the sea of events that we have navigated thus far on our ocean voyage. Call the crew in the cabin and the seamen on the riggings; come reminisce together before we bid the ninety-six captains in the ship farewell.

Look back at the "good old days" when we walked gangplank up to our school as seventh graders and found out how large an ocean we would have to travel, but two years later found us electing officers of our crew and discovering increasing responsibilities.

Throughout these events each individual member carried his or her path in school life and became a distinct personality and a perfect seaman to work beside. This cooperation was needed, and shown, when we took to dry land to present our first dramatic production entitled "January Thaw" with fourteen in the crew portraying parts. But under the deck were the very important behind-the-scene workers and the spirit of cooperation and willingness while Mr. Russell Berkheimer steered the wheel.

With these ports behind us, we turn the ship ahead to far horizons to explore what lies ahead. Pull up the anchor, hoist the sail, while the Class of 1953 salutes the senior crewman wishing them luck and a "bon voyage"!

We at last have come within sight of our final port and are eager to explore the territory of our last stop.

Senior Class Play

First row (sitting, left to right): Bette Clark, Mary Martin, Bernard Baymiller, Betty Jeanne Hafer, Bruce Goodman, Robert Wertz, Janice Althouse. Second row (standing): Kay Baker, Martin Stolpe, Shirley Ruth, Mary Ann Sidler, Shirley Allwine, Elaine Weinstock, Claire Hammond, Patricia LaBone, John Matteson, Patricia Byars. Third row: Mr. Russell Berkheimer (director), Gary Schmidt, Kenneth Krick, Carl Drukenbrod, James Bortzfield, Michael Byrnes, Bruce Fasnacht.

"Turn Back the Clock" is exactly what characters, prompters, stagehands, and make-up committee did November 9 and 10, 1951, under the direction of Mr. Russell Berkheimer. Donning clothes of 1928 the seniors enthusiastically presented this teen-age play after working hard, learning the Charleston, but also having fun.

We find Mr. and Mrs. Charles Hill waiting up for their children worried and concerned. Mr. Hill, a bank president and trustee of his church, is growing angry and harping on the so-called "irresponsibilities" of the younger generation. He is reminded of some of his own youthful ambitions and the clock is turned back. We then meet Mr. and Mrs. Hill as high school seniors in the year 1928. We see the courtship of Evie Palmer (Betty Jeanne Hafer) and Charlie Hill (Bernie Baymiller).

The decision for Evie whether to marry Charlie Hill or Johnny Stone (Robert Wertz) was difficult and became more difficult throughout the play. There was plenty of excitement when Evie's brother, Larry (John Matteson) came home from school and met two girls, Irene, (Pat La Bone) and Maybelle, (Shirley Ruth). Evie's parents (Bette Clark and Martin Stolpe) had an evening out while Evie had a party. Sally, (Mary Martin) Evie's little sister, chaperoned the party, but nevertheless, fists flew. Throughout the play, humor was supplied by the maid, Hilda (Kitty Baker), Phyllis (Mary Ann Sidler), Ollie (Bruce Goodman, and Barbara (Elaine Weinstock). Though the plot became complicated, everything turned out all right in the end.

You Tell Him, Mary!

Laaarry!!!

Hold on, John

Junior Class Play

Co-operating with the entire class, a cast of sixteen gave its first production, an exciting mystery comedy, "Sky High," directed by Miss Hazel Kerr, on March 2nd and 3rd, 1951.

Things happened when a group of college students became marooned at Sky High Skiing Lodge over the Christmas holidays and discovered the lodge was being used as a spy headquarters. The young people provided all sorts of complications for Mrs. Petmore, Beverly Watson, the owner. By the end of the evening, Tracy Arnold, Ivan Gerhart, who thought he was a coward, learned he could be brave when danger threatened his girl, Jill Davis, Pat LaBone. Hank Taylor, Bernie Baymiller, and Monica Shane, Claire Hammond, helped solve the mystery. Bird-brained "Toots", Marilyn Smith, saved them by an accident, while Kaddy, Kitty Baker, supposedly a dumb maid, helped in the capture of the spies. Mr. Mundy, Bob Wertz, who acted absentminded, proved himself a mastermind.

Despite many difficulties, Oscar, Martin Stolpe, Dr. Barto, Jack Himes, and the rest of the spies were taken by the detectives, Hewlett, Gary Schmidt, Carter, Donald Henry, and West, Carl Drukenbrod, and Sky High Lodge returned to normalcy.

Left to right, first row—Ivan Gerhart, Kitty Baker, Patricia LaBone, Beverly Watson, Marilyn Smith, Claire Hammond, Bernie Baymiller. Second row—Miss Hazel Kerr, Robert Wertz, Martin Stolpe, Gary Schmidt, Carl Drukenbrod, Donald Henry, Jack Himes, Donald Stauffer.

Last year, the Press Club undertook the building of a ship which was to carry as its cargo the memories of this school year. The club has met every Friday morning during the first period in which they laid the plans for the construction of the ship. Since the 1951-52 school year began, the staff of seniors and juniors has been selling advertisements to help finance the yearbook, writing articles about each sport and organization, taking pictures of our various school scenes and activities, meeting deadlines, and deciding upon all the many items that go wtih the publishing and editing of the annual Neff-Vue.

Mr. Robert Hostetter, a member of the faculty, has been our capable guide in building this ship and has helped us in getting its cargo safely into port.

Planning and publishing twelve issues of the Hi-Lite, our school newspaper, is a big job. A great deal of time was spent by the staff members in preparing the publications which are the student's only records of the happenings of his high school days.

During 1951, the Hi-Lite received special ratings from the National Scholastic Press Association and also from the Pennsylvania Scholastic Press Association.

Special credit is given to the three editors who engineered the paper from January 1951 to January 1952 and to Miss Leaman, faculty advisor.

There is a wide variety of jobs offered on the Hi-Lite staff. Those students with a talent for feature writing, news or sports writing, editing, taking pictures, managing, or typing will find a place on the staff.

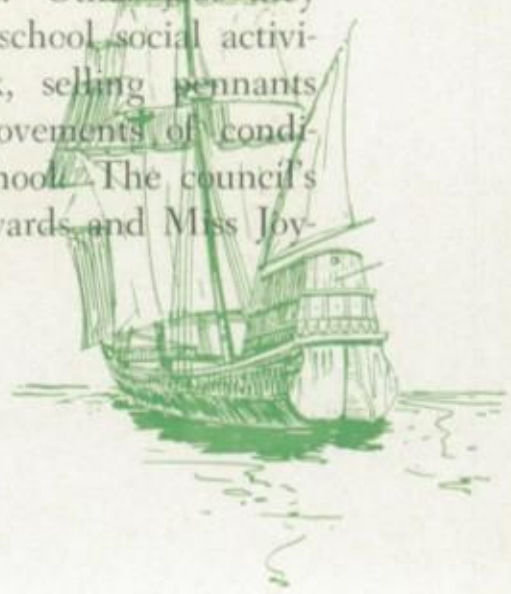
The Student Council of Manheim Township High School represents the entire student body of the school. The representatives are elected, one from each junior and senior high homeroom, each year. The president of the council is elected by the students at the end of his junior year; he takes the office at the beginning of his senior year. The other officers are elected from the council by the members during the first meeting of the year.

During the term, delegates elected by the council attend regional student council meetings where ideas for projects are exchanged. The powers of the various councils are also discussed.

This body has worked steadily throughout the school year to complete the many things which come into their category. Operating the after-school "snack counter" was one of their new and profitable projects. Other jobs they undertook were sponsoring school social activities, revising the handbook, selling pennants and handling general improvements of conditions in and around the school. The council's advisors are Miss Betty Edwards and Miss Joyzelle Peck.



National Honor Society

Scholarship, leadership, service, and character are the four qualities set up by the National Honor Society. Scholarship is the power of the mind to dispel ignorance and superstitions through scientific investigation of truth, leadership is the power of personality that blazes the trail for man's upward climb, character sets the seal of righteousness upon our every endeavor, and service is the begining and end of our complete education.

The Keystone and the flaming torch, as the emblem, represents our purposes: to bear forward the searching light of truth to lead so that others may follow in the light, to keep burning in our school a high ambition for the enduring values of life, and to serve in consideration of others.

Membership in this honor organization is limited to juniors and seniors. Approximately 25 per cent of the graduating class is elected into the society, 12 per cent being admitted the second semester of the junior year.

An annual induction ceremony is presented before the student body, at which all members wear the society's traditional red carnation. Advisor of this club is Mr. Warren Drukenbrod.

The Manheim Township High School Key Club consists of thirty-five senior high boys who are willing to work hard in the interests of serving the school and community. These Key Clubbers are given the chance to develop initiative and leadership and to gain valuable experience in working together, which is, in reality, the purpose of the club.

The group was kept busy throughout the year with its many service projects, some of which were: operating the concession stands at football and basketball games, gathering together a Christmas gift basket of food for a needy family, and sponsoring a social hour. The highlight of the year, however, was the State Key Club Convention held in Pittsburgh. The fun that was had and the fellowship that was shared- at the convention will long be remembered by all who attended it.

With Mr. Charles C. Kreider, faculty advisor, and the officers providing the leadership, the Key Club once more played an important role in making the year more enriching for its members.

The Hi-Y Club, composed of approximately forty senior high school boys, is a high school organization sponsored by the Y.M.C.A. The club's purpose is to create higher standards of clean living in the minds of its members and to build fellowship among high school students.

Service to the school and community is another feature of the Hi-Y platform. The club exemplified this by, among other things, sponsoring a social hour after the Varsity Alumni basketball game and giving an overflowing basket of food to a needy family at Christmas time.

Under the capable leadership of the officers, and Mr. Warren Druckenbrod, faculty advisor, the group added a note of sacredness to the gay Christmas festivities with the traditional induction ceremony, held this year on December 13, 1951. The faculty, parents of club members, and the sister Tri-Hi-Y Club were invited to attend this beautiful ceremony. The spirit of the occasion was another bit of proof that the Hi-Y Club very successfully helps to fashion the good citizen of tomorrow.

Having as its purpose the highest goal of any club — To create, maintain, and extend throughout the home, school, and community high standards of Christian Character — the Tri-Hi-Y is a busy service organization throughout the school year.

Comprised of junior and senior girls under the guidance of Miss Patricia Hostetter, the club advisor, this group has decorated the goal posts and worked at the concession stands during football games in the past year, sponsored a social hour, presented Easter baskets to the County Home, sercured a movie shown in the auditorium, gave an Easter party for a group of poor children, and held bake sales and a rummage sale.

Informal discussions of subjects listed in Teen Talk booklets provided the program for several meetings. Guest speakers were obtained, who spoke to the club members on various topics. Floral arrangements and Christmas decorations were demonstrated, colored slides were shown of European countries, a book review was given, summer fashions were modeled, and an informal speech was presented. The girls participated in a talent show and Easter program for fellow club members. Many programs during the meetings were planned to encourage each member to live up to the club objective—Pure words, pure thoughts, pure actions.

Service for others, for our country, our community, and our school is a very fitting slogan for this active organization. Each homeroom is represented in the school council by a pupil who volunteers or is selected to serve for one school year.

Included in the year's activities was the annual enrollment drive which is held every fall. Each year, the goal is to have one hundred percent membership in every homeroom. The club also presented a variety show for the Lions Club of Ephrata.

The Red Cross council helped the Lancaster Hearing Conservation Center by assembling bells which were sold in Lancaster during the Christmas holidays for the benefit of the center. Also, every homeroom filled gift boxes which were sent to needy children in other countries.

One of the club members, Janet Pfromm, is co-editor of the Junior Red Cross publication, "Cross Currents".

Under the capable direction of Miss Florence Kreider, this club has proved itself a most worthy service organization in our school.

Safety Patrol

OFFICERS

Captain .....Winifred Landis
Co-Captain .....Henry Rudisill
Secretary .....Doris Booth
Lieutenant .....Audrey Diffenbaugh

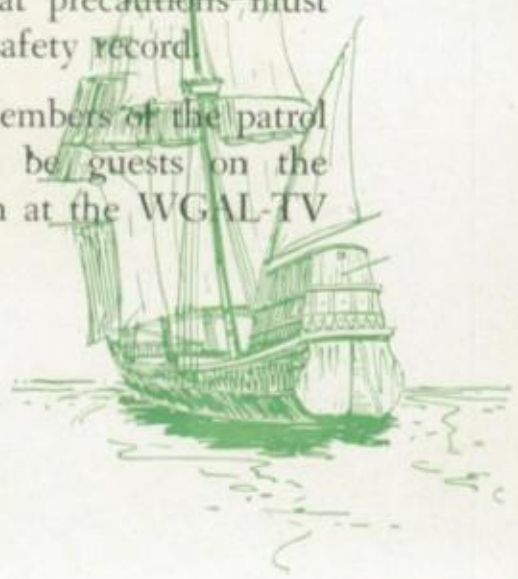
Our Manheim Township High School safety patrol is a group of junior and senior high school students working together for the safety of their fellow students. Under the supervision of their advisor, Miss Frances Shaw, the patrol members work to the utmost of their ability. Whether in school, on the busses, or walking home, there is always a patrol member around doing his or her best.

The patrol works in cooperation with the Lancaster Automobile Association, and most of the group participates in their annual safety patrol parade.

Every year, the patrol, with members from other schools are guests at a Franklin and Marshall College football game.

When they meet every other Thursday, the patrol discusses how improvements can be made around the school and what precautions must be taken to keep our good safety record.

Last October 13, nine members of the patrol journeyed to Lancaster to be guests on the Guardian of Safety program at the WGAL-TV studio.



Senior Dramatics Club

OFFICERS

President .....Barbara Kabakjian
Vice-President .....Sandra Schildnecht
Secretary .....Ann Geracimos
Treasurer .....Gaby Aronsohn

Producing great actresses isn't the purpose of the Senior Dramatics Club. Instead, under the guidance of Mrs. Esther H. Fritz, interest in plays and people of the theatre is encouraged. This is done by reading plays and producing them before the members with criticism as the main objective. Two members of the club planned a meeting showing the art of make-up and the method of applying it. At other meetings, scrapbooks from former years were reviewed. These books consisted of plots of renowned plays, biographies of actors and actresses, and a general view of the theatre.

In December, the Mask and Wig Club of the University of Pennsylvania played in Lancaster, and ten club members attended on complimentary tickets received by the school. All agreed that it was a worthwhile evening and that it was an experience they will never forget.

The club completed a very successful season, and with all these activities behind them, the club hopes to continue even further in the coming seasons.

Gaining experience not only in the acting but also in producing and directing plays, correctly applying make-up, and ably handling the behind-the-scenes work of the theatre has been the goal of the Junior Dramatics Club. Under the direction of Mr. Russell Berkheimer, a member of the faculty, the club has successfully reached that goal. Valuable experience in speaking before groups has also been attained. In addition to presenting plays of their own, this young group of Thespians has attended many shows in and around Lancaster and Hershey.

Choir

OFFICERS

President .....Carl Drukenbrod
Vice-President .....Jay Fulmer
Secretary .....Patricia Hillard
Librarians .....Shirley Benedict, Joyce Kirchner

This year, as in past years, the Manheim Township A Capella Choir provided musical entertainment throughout the school. This choir is composed of members of the sophomore, junior, and senior classes, who met every Monday, Tuesday, and Friday during the seventh period. Under the excellent supervision of Mr. Harold W. Shaar, the choir sang in assemblies and other school functions, and at various social organizations, hospitals, and schools. Each year the choir offers its tradition rendition of Handel's Messiah, during the Christmas season, and ends its year with the annual spring concert.

Girls Glee Club

OFFICERS

President .....Cassandra Fitzkee
Vice-President .....Patricia Himes
Secretary .....Patricia Miley
Librarians .....Robert Hartzell, Nancy Buckwalter

The Girls Glee Club is a brand new energetic choral group in Manheim Township High School this year. The club opened its membership to girls in the tenth, eleventh and twelfth grades who are not already in the mixed choir.

This group was organized shortly before Christmas and has been working industriously since then on their two-part music. The girls have appeared in the Christmas assembly and the Annual Spring Concert.

During the concert, the club sang semi-classical and classical music. The feature number was the gypsy dance, "Dark Eyes". The members doned gypsy costumes for this number which included both singing and dancing.

The club is directed by Mr. Harold Shaar, vocal music instructor.

Junior Choral Club

OFFICERS

President .....Gwenn Howell
Vice-President .....Susan Bomberger
Secretary .....Sally Williamson

Boys' and girls' soprano voices blend in three-part harmony when the Junior Choral Club meets every Thursday morning. The club is open to junior high members and is under the direction of Mr. Harold Shaar.

Excellent training is provided in reading choral music accompanied and A Capella. Pianists receive experience which offers a background for work with the senior choir.

The Choral Club's two public appearances each year include the Christmas Assembly in which they traditionally sing "Gesu Bambino", and the Spring Concert in which the first part of the program is devoted to them. They join the senior choir on the stage for the finale of the concert.

Band

OFFICERS

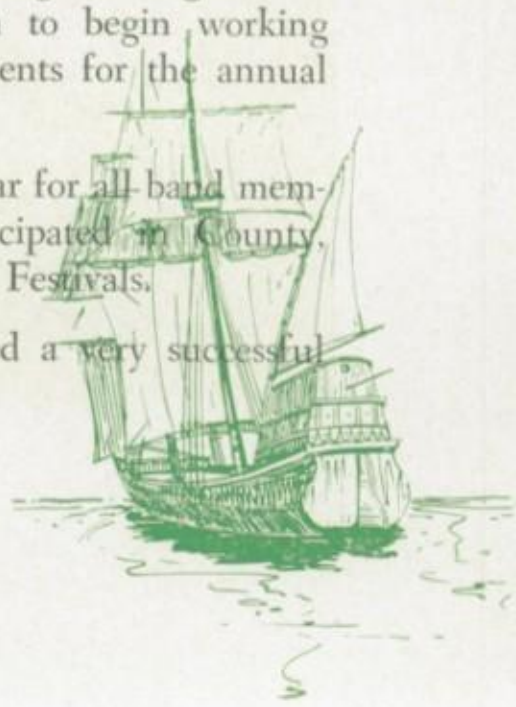
President ..... Sheila McConnell
Vice-President ..... Anne Graver
Secretary-Treasurer ..... Janice Althouse

Amid vigorous, excited cheers, the band started its football season with carefully executed formations, crisp marches, and a great many new members which made it one of the finest marching bands in the history of the school. Wherever they appeared, at football games or on parade, the band made a very impressive spectacle.

It was with deep regret, but with great pride, the band bid goodbye to their director, Miss Mary Belle Nissly, who was called to serve our country. However, under the very able supervision of Mr. Eugene Buglio, the concert band settled down to begin working earnestly on new arrangements for the annual spring concert.

This was a very busy year for all band members. Many students participated in County, District, and State Band Festivals.

The band has completed a very successful year worthy of praise.



Junior Band

The Junior Band which was first organized last year by Miss Mary Belle Nissley offers instrumental ensemble experience to musically inclined Junior High students.

During their one period a week rehearsal the band members learn new techniques and gain varied musical skills that will be most valuable to them in the Senior Band.

At the beginning of each school year, interested Junior High Students are urged to try out for this organization.

The Abraham Lincoln March, The System March, Andalacia, Si Tracodero, and a trombone specialty number were included in this season's repertoire.

Included in the band of approximately fifty pieces are fourteen clarinets, fourteen trumpets, two flutes, two saxaphones, two bases. There are also four French horns, four trombones, four baritones, one bassoon, and a percussion section.

This year, under Mr. Eugene Buglio's able direction, this group played in assemblies and in the annual Spring Concert.

First row—Becky Kirchoff, Theodore Howler, Kenneth LaBone, Brenda Funk, Joan Rowe, Cinthia Landis, Sylvia Shetter, Shelvia Worley, Maurice Landis, Richard Phillippi, Paul Herr, David Brenneman. Second row—Marianna Moorehouse, Deana Reichard, Linda Alexander, Lester Miller, Robert Leaman, Gerry Fry, James Durham, John Swedland, William Gamber, Jay Hostetter, Donald Nissley, Herbert Zook, Paul DeBusk, David Haus, Jay Mueller, Martin Mauer. Third row—Douglas Welsh, Marjorie Worley, Susan Graul, Charlotte Weinstock, Judson Parker, Elvin Shay, Thane Hawkins, Merle Clark, Patrick Styer, Arthur Ward. Fourth row—Mr. Eugene Buglio, Fred Julius, Donald Kurtz, Carolyn Latawiec, Donald Rosman, Bruce Shaeffer.

First row—Florence Shreiner, Thomas McMurray, Yvonne Irwin, Daral Rauscher, Sally Swift, Judy Regele, Janet Senft, Barbara Kirhchoff, Edward Cahn. Orchestra

OFFICERS

President .....Janice Althouse
Vice-President .....Florence Shreiner
Secretary-Treasurer .....Anne Graver

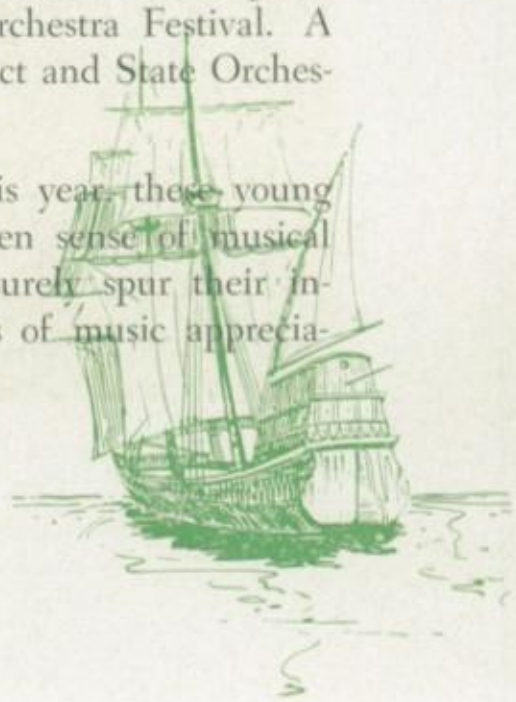
It was with great spirit and enthusiasm this fall that the senior orchestra began practicing the work of the Masters. After much perparation, the orchestra made numerous appearances before the student body at assemby programs and at the junior and senior plays. Some favorites presented were Ragtime and Charleston numbers and many modern orchestra arrangements of semi-classical works.

At the Annual Christmas program, the orchestra presented a medley of traditional Christmas favorites and accompanied the choir in selections from the Messiah.

Shelving the dusty manuscripts for a time, this year's versatile young group of musicians turned their talents toward the intricate rhythms of Latin America with such success that many of the numbers were included in the Music department's Annual Spring Concert.

Many students received the honor of participation in the County Orchestra Festival. A few were selected for District and State Orchestras.

In working together this year, these young people have acquired a keen sense of musical interpretation which will surely spur their interests toward higher paths of music appreciation.



Junior Orchestra

The Junior Orchestra is an important organization of the junior high school devoted to giving ambitious young instrumentalists the chance to expand their feelings in the realm of music. It is here that the fundamental rudiments of rhythm, timing, and tone quality in group playing are introduced. Familiarity with the various instruments and their importance in the orchestra is stressed. The students are encouraged to further their musical interests by attending concerts and then relating their impressions of the music played and the spirit of the performers. After the students learn something of the background of such eminent composers as Mozart, Shubert, and Strauss, some of the better known works of these great men are brought into the scope of these young people by simplified orchestral arrangements.

This year, the students spiritedly worked up several clever novelty numbers which they presented at the junior high assembly.

Not to be outdone by their senior contemporaries, the members shared the limelight of the concert stage with the older students as they appeared in the Annual Instrumental Concert.

This unheralded hard working group are earnestly striving for better musicianship and a chance to become members of the Senior Orchestra.

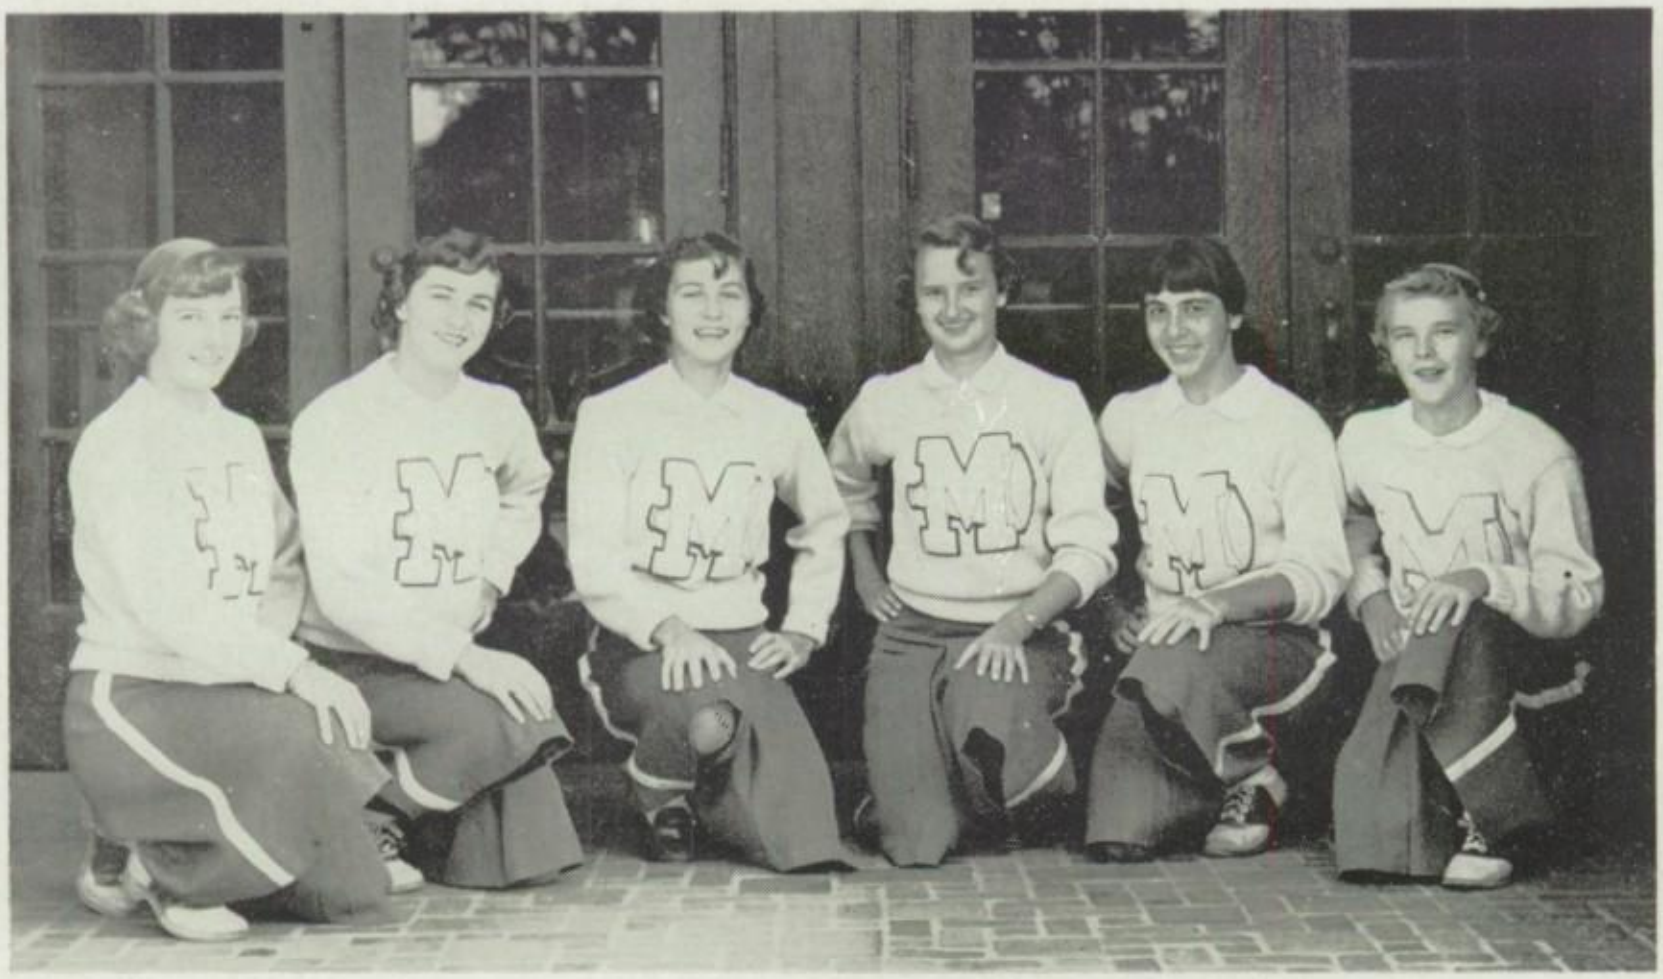
Senior Cheerleaders

Vim, vigor, and vitality—this well describes our senior cheerleaders. Braving all kinds of weather, the girls have displayed unlimited school spirit in leading rousing cheers along the gridiron sidelines. After a brief rest, they resumed their duties with equal enthusiasm in boosting pep at all varsity and away junior varsity basketball games. Under the leadership of Miss Rebecca Leaman, the squad, composed of two seniors, two juniors, and two sophomores, has never parted to display good sportsmanship and boundless energy.

Nancy Kienzle, Yvonne Wenrich, Patricia Hillard, Gail Goff, Gaby Aronsohn, Mary Ellen Myers.



Pamela Stott, Barbara Herr, Cynthia Landis, Betsy Mueller, Sidney Pegram, Gwenn Howell.

Junior Cheerleaders

During the past year, this group of energetic girls has displayed outstanding school spirit as members of the junior high school cheering squad. They were chosen early in high school to represent Manheim Township at all home junior high school basketball games and all home junior varsity basketball games. These girls, however, are all veteran leaders, except Cynthia Landis who was added to the squad in October of 1951. Once a girl is chosen to the squad she retains the position until she enters senior high school at which time she is eligible to try-out for the senior high school squad.

French Club

OFFICERS

President .....Beverly Watson
Vice-President .....Mary Ann Sidler
Secretary .....Phyllis Cresswell
Treasurer .....Elaine Weinstock

To develop knowledge, a deeper understanding and appreciation of the French people and their language is the purpose of the French Club. Some of the regular activities of the French Club include devotions and songs in French, and pantomimes and games in which all the members participate. In all these activities, the club members receive practice in speaking the French language.

There are also many special activities which the club undertakes. Included in these was a travelog of France illustrated with color slides. Christmas carols which were sung in French were featured at the Christmas Party. Another activity by the members of the club included packing boxes of clothes and small toys to be sent to the children in a French orphanage.

To Miss Mary Weaver, the advisor of the club, we say "Merci" for her interest and supervision of club activities.

Creative Writing Club

OFFICERS

President .....Peter Andes
Vice-President .....Pat Himes
Secretary-Treasurer .....Sally Swope

The main purpose of the Creative Writing Club is to develop an interest in writing and to inspire a sense of creativeness among members of the senior high. The club was organized two years ago by Miss Betty Edwards and has since greatly expanded in its purposes and student activities. Primarily, the club was limited only to sophomores, but as interest grew among other students of the senior high, the club voted to extend its participation to the entire senior high school. Several members of the club have entered their writings in the National Essay Contest, Poetry Contest, and the Scholastic Writing Contest, and many have received honors for their work.

During the weekly meetings, the members study poetry and famous writings, and then write plays and impressions of music played on records. Once a year the members take a silent hike, and upon returning, they record the scenic impressions which they received during the hike. The Creative Writing Club also sponsors the annual Safety Patrol Slogan Contest.

Art Department

The Art Department, under the able leadership of Mrs. Martha Johnson, is open to any senior high school student interested in art.

Costume designing, oil painting, clay and copper working are some of the activities included during the year.

At Christmas time, the department decorates the school in the Christmas theme. They also decorate for banquets and other large functions at the school.

The Art Department has a showcase outside the art room which exhibits many of their artistic abilities.

Aeronautics Club

OFFICERS

President .....Bernie Baymiller
Vice-President .....Gordon James
Secretary .....Robert Wentzel

The large amount of interest shown in aeronautics necessitated the formation of the Aeronautics Club in 1949.

Township's fly boys, commanded by Ward Latshaw, have literally flown through an interesting and varied series of programs this year. Aircraft spotting became a major topic when the club assumed more responsibility at the Neffsville spotter post. Identification was practiced by means of projected three-views. Much time was spent on the construction of models which were flown in a model meet among the members. The annual trip to Sensenich Propeler Plant was held late in the year. The club raised all money needed from the sale of book covers which it has and will be selling yearly.

In the future, advisor Latshaw hopes to establish a drill team similar to that of the Elks. Courses in navigation are also on the agenda.

During the year, members of the Library Service Club give their time and ability to duties in the Manheim Township and Neff Libraries. They also help in the Health Room when Miss Armstrong is not available. This club has many projects, among them the sale of books in the Library book shop, during Book Week.

The people in this club represent the good will to achieve higher standards in our library for the benefit of all in the school. The members of the Library Service Club are always willing to aid, in any way they can, students in the school library.

The club is under the careful supervision of Mrs. Dorothy B. Nystrom, who certainly deserves credit for giving guidance to this group.

Junior high school students, members of grades seven to nine, can always be seen in the library doing necessary jobs and learning the routine of a library.

They return books to the shelves and are responsible for keeping the shelves in order. Another one of the many things they take care of is the appearance of the library, the workroom, and the conference room.

Junior high school library helpers arrange flowers for the library each week and exhibit their hobbies in the show case in the center of the library. These ambitious students also mend bokos, water all the plants in the library, read the shelves, and take care of the magazine rack.

A highlight of the year's program is the annual library conference held in the spring of alternate years at Millersville State Teachers College.

These young library helpers will continue with their service in their years of senior high and some, because they become interestd in the running of a library, will become librarians when they leave school.

The girls who are in this club represent the Future Homemakers of America. The club is made up of tenth, eleventh, and twelfth grade girls.

During this year, the girls were busy making small books for children, which included pictures to color, complete a picture by connecting dots, etc. The club takes an annual trip to the Harrisburg Farm Show which provides loads of fun for all. We took a day off from school and went up by train. We spent most of the day at the Farm Show, and then we spent a little time in the stores at Harrisburg. One of the girls decided to go on a bucking bronco in one of the department stores. Another member had a 4-H baby beef at the Farm Show.

The Mother and Daughter Banquet made an enjoyable evening for every one present. After a fine dinner of baked ham, candied sweet potatos, corn, peas, pickles, root beer, soda, and coffee the members of the club provided a fine program for the mothers.

During the school year, the girls made popcorn balls and candy apples to sell to the students.

The Science Club of Manheim Township High School is sponsored by Mr. James Livengood, the chemistry, physics, and general science instructor. The club was started at the high school.

To become a member of the club, a grade of C or better in a science subject is required of each student wishing to enter.

During the club meetings, the members discuss various topics concerned with the subjects of biology, chemistry, science, and physics. The club members have held special shows for their parents in which they demonstrate various scientific principles. They have also participated in the regular assembly programs.

Besides visiting science fairs in Philadelphia, the Science Clubbers have been working on their own projects to enter in the science fair the club is planning.

The club is a member of the National Science Clubs of America.

The Rifle Club of Manheim Township High School is one of the most popular organizations in the school. The purpose of this club is to teach safety in the use of fire arms. The Rifle Club is open for membership to high school students in the ninth, tenth, eleventh, and twelfth grades, boys or girls.

The members of the club gain valuable experience in target practice and using different instruments in target shooting. Those members who become excellent marksmen are chosen to participate in rifle matches with the Rifle Team.

Interest has been growing steadily in this organization and this year it had more members than any year before.

The club is under the supervision of Mr. Ward Latshaw.

Varsity Football

After three weeks of successful practice under the leadership of Coaches Paul Wenrich, Alex Kilkuskie, and Nelson Gibble, the light but spirited 1951-52 edition of the Blue Streaks headed for Stumph's Field and their opening classic with Manheim Boro.

The hustling Blue and White eleven got the jump on the visitors and after an exchange of fumbles began to roll. After a jarring drive they were halted on the four.

Three minutes of the second quarter had elapsed when Drukenbrod grabbed a pass from center and sped around right end from the fourteen-yard line. An attempted pass for the extra point was knocked down.

Dunlevy raced through the Baron's offensive in the third quarter and dropped the ball carrier behind the goal to make the score 8-0. Behind the excellent blocking, Druckenbrod carried an intercepted pass over the oppponent's goal.

Nissley added the extra point on a line plunge, and the final score stood at 15-0.

Next the Streaks journey to Shillington where they fell beneath the heavy, charging line to a tune of 27-6. The Maroon and Gold scored twice in the first and once in the third period before speedy Don Stauffer scored on an end run from the fifteen-yard line. Shillington scored once more on a series of running plays to complete the game.

Manheim Township ...	0	0	6	0–6
Shillington	14	0	7	6–27

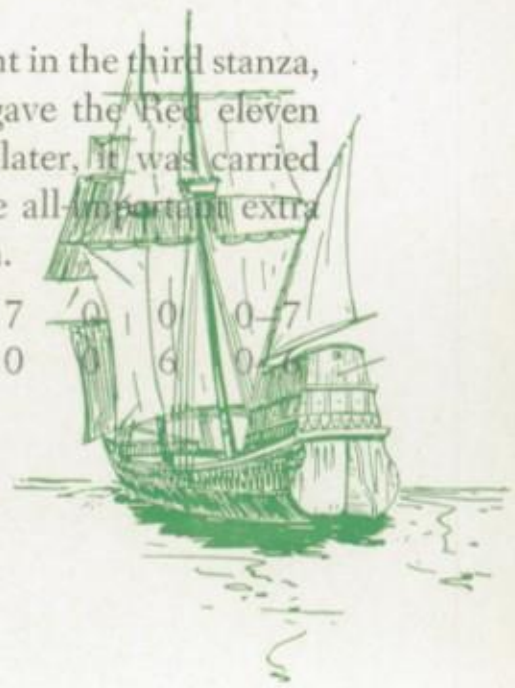
Once again the Streaks played under the floodlights at Stumph's Feld. Their opponent was the formidable Elizabethtown eleven whose powerful line tore big holes in the lighter Township defense. After Bears scored during the first and the beginning of the second period, a forty-five-yard Gerhart to Drukenbrod pass, clicked for six points. Despite a good battle, Elizabethtown tallied three more times in the last half, the final one on a Township fumble.

Manheim Township ...	0	6	0	0–6
Elizabethtown	7	7	12	6–32

Under bright, sunny York County Skies, the Manheim Township football team evened their record at two and two by taking a seven to six decision over the Red Lion "Lions". This year's game pitted to virtually evenly matched teams and was won on defense. The only score was set up in the first period when Bob Wentzel intercepted a Lion pass and carried it down the sidelines to the one. On the next play, Carl Drukenbrod carried it across the chalk. Jay Fulmer caught Druckenbrod's heave for the extra point which eventually determined the game.

A blocked Township punt in the third stanza, gathered in on the fifteen, gave the Red eleven their chance. Several plays later, it was carried over from the twelve but the all-important extra point pass was batted down.

Manheim Township ...	7	0	0	0–7
Red Lion	0	0	6	0–6



Again the Streak eleven fell to the negative side of the sheet as Columbia defeated them in a hard-fought scrap at spacious Gladfelter Stadium.

The Columbians jumped off to an early lead as a result of a blocked kick which was carried by an alert Columbian to the Township two. A line buck produced the touchdown and a similar play, the extra point.

Early in the second period Columbia scored after a forty-yard drive which terminated in a five yard dash around right end.

The Blue and White eleven started rolling in the second half and finally scored when Wentzel scooped up a Columbia fumble and traversed thirty yards to score; a Drukenbrod to Henry pass added one point. Passing connections threw a scare into the Columbians but were not quite enough to reach paydirt again.

Manheim Township ...	0	0	7	0–7
Columbia	7	6	0	0–13

Returning to play Palmyra under home lights, the Blue and White Streaks fought the tough Palms to a 7-7 standstill during the first half, but finally fell before the Orange and Black to a tune of 26-7.

After a 75-yard march by the Palms, a touchdown and kickoff, the Streaks sent a return punt rolling deep in Palmyra territory. Dick Dunlevy then proceeded to grab a bobbled pass from center and hurry it over the goal line. Drukenbrod skirted left end for the extra point.

However, the second half was all Palmyra and they showed why they led the inter-county league.

Manheim Township ...	7	0	0	0–7
Palmyra	7	0	13	6–26

With the two Stauffers, Don and Carl (no relation) scoring three of a total of four touchdowns, Manheim Township walked over their new opponent in county competition, Solanco 26-0.

The big, slow, Golden Mules didn't stand a chance against Drukenbrod's passing attack. On the first Stanza "Druky" hit Don Stauffer in the end zone from the 15 and Henry for the extra point. When the Streaks again controled the ball, Carl Stauffer took a pass 52 yards to the posts. A 31-yard dash by Drukenbrod and an 8-yard tally completed the scoring.

Manheim Township ...	13	7	6	0–26
Quarryville	0	0	0	0–0

In their last home game of the season, the Streaks played host to a highly touted Ephrata eleven before an alumni Homecoming crowd of 1500 fans at Stumphs Field. The Mountaineers scored once in the first period, three times in the second quarter, and added another T.D. in the final stanza to defeat the fighting Blue and White by a 32-13 count.

With 30 seconds left in the second period Drukenbrod rushed the extra point after receiving a quick pass from Gerhart for the initial six. This, and an 8-yard push in the final quarter were the only Township scores.

Manheim Township ...	0	7	0	6–13
Ephrata	7	19	0	6–32

On a gorgeous fall day, the Streaks journeyed to Lititz for their annual battle with "their friends to the north".

The Townshippers immediately went to work to prove they were the better team by marching 50 yards to pay dirt. A 40-yard pass and a series of rushes in the second stanza netted two more T.D's.

In the second half, Gerhart carried a fumble over from the fifteen and Drukenbrod rambled from the 18 for another. Lititz garnered their lone tally after a series of pass plays in the last quarter.

Manheim Township ...	6	13	12	0–31
Lititz	0	0	0	7–7

Despite the Streaks unimpressive record, every game supplied their many faithful followers with numerous thrills, and each person who saw the well-coached lads play must admit the Streak's season was highly successful.

First row—Marilyn Smith, Shirley Allwine, Patricia Barley, Yvonne Wenrich, Nancy Keinzle, Sheila McConnell, Captain; Gail Goff, Georgianna Funk, Patricia Himes, Lois Frey, Patricia Hillard, Miss Marian Dunlap, Coach. Second row—Mary Huntsinger, Shirley Peifer, Betty Grosh, Barbara Grosh, Emma Sigafoos, Lynn Fraim, Lois Watson, Betsy Mueller. Third row—Fay Mundorf, Mary Francis Hershey, Managers; Sandra Schildnecht, Barbara Kabakjian, Lois King, Jean Rote, Patricia Hawkins, Manager.

Hockey

At the beginning of the school term, a hopeful young crop of hockey players reported for practice, and practice they did through the long hot afternoons.

Between frequent trips to the forbidden fountain, the girls learned a new routine of snappy exercises, explicitly designed to teach muscle-bound young women the fine arts of cooperation and coordination.

Everyone made certain that each girl had her full share of bruised shins, mashed fingers, and "jumping jacks".

Most of the squad this year were underclassmen and new to many of the plays, but they practiced faithfully and gained valuable knowledge of teamwork and sportsmanship which is going to produce top teams at Manheim Township.

Another welcome addition to the Streaketts this year was tiny coach Marian Dunlap whom everyone came to know as a very competent coach and a really wonderful person.

After the first game win over Solanco, trouble was encountered, but the girls really had a field day with our neighbors to the north as they defeated Lititz with a 6-1 score.

The season was ended with a banquet in the gym, but the memories of a crisp fall afternoon, the firm encouragement of a teammate, and the proud feel of a blue and white tunic will live in the hearts of our Streaketts forever.

Varsity Basketball

The 1951-52 basketball season was one of the most successful of the past decade as the Streaks won fourteen and only lost four of of the 18 games they played. The Blue and White courtsters were able to defeat every opponent except Manor at least one time during the campaign.

The Streaks lost to East Hempfield the first night out, but with this game under their belts, they came roaring back to sweep through four warm-up tilts before the league action got under way. New Holland, East Hempfield, Annville, and the Alumni were the victims.

On the strength of victories over Lititz, West Lampeter, Ephrata, and Columbia, the Neffsville lads ended the first half of the Section II race in a veritable tie with Manor for first place. The next game, however, saw Manor hand the Streaks their first league setback to break the tie.

After defeating New Holland in a mid-season breather, the Township dribblers got back to work and hung losses on Solanco, Lititz, and West Lampeter to once more rise to within a half game of the leading Manor club. However, Ephrata and Manor dispelled any Manheim Township hopes for a section winner by edging the Streaks down into third place with losses to these clubs. Wins over Columbia and Solanco failed to relegate them any higher in the standings and the Streaks had to settle for a third place finish.

Junior Varsity Basketball

The Blue Streak jayvees also had a winning mark this year as they compiled a 10-8 record throughout their hotly-contested season.

During the six non-league tilts, the Blue and White basketteers racked up four wins and two losses. This successful mark in exhibition games was the factor that provided the junior Streaks with their winning season as they split the twelve Section II contests they played by knocking off Lampeter and Solanco twice, dividing a pair with Columbia and Ephrata, and losing twice to Lititz and Manor.

The season was successful in more ways than the aforementioned, however, as the juniors and sophomores who made up the roster gained valuable experience which will be a great help to them in their future basketball years at Manheim Township.

Junior High Basketball

Under the intent leadership of Coach Alex Kilkuskie the Junior High Basketteers established a record of three wins and seven defeats. Considering the limited amount of time available for their practice, we feel the squad did fairly well and hope their spirit is carried into the ensuing years.

Wrestling

Wrestling at Manheim Township during the 1952 season brought no laurel wreaths. However, Coach Gibble's grapplers after practicing enthusiastically almost every night, improved their point average immensely and won their first match, with Quarryville, 41-6. Even though the attendance at home matches was not large, the team spirit was not daunted in the slightest. If the team improves in the coming years as it has in its first two, we may look ahead for a championship team.

Rifle

The rifle season has been an exciting one, almost every match attracting a vast amount of attention. More interest was shown in this sport than ever before since all league competition was extremely sharp.

The nimrods of '52, led by Coach Ward Latshaw, sustained a highly successful season in spite of the two losses recorded. These, dropped by a slim two points each, meant the loss of the championship.

The team points with pride to the record of Gene Dungan who was high scorer in league competition this year.

Track

A hard-working, hard-running group of senior high boys under the leadership of coach Alex Kilkuskie sped their way to another successful season in 1951, highlighting the year by finishing third in the District III meet with 23 points and then placing sixth in the State meet with a ten point total.

After running a few practice meets to limber up, the cindermen took on Shillington High of Berks County in the first scheduled meet of the season. The Streaks collected a plurality of points in the track events, but fell short in the field events, and Shillington won the meet, 62-51.

The Streaks then routed Columbia, Manor, Manheim Central, and the McCaskey jayvees in a pentagonal meet at McCaskey, scoring 58 points in the running events and adding nineteen more from the field. The township trackmen then took part in the class B division of the Lebanon Relays' Carnival at Lebanon. The Streaks entered teams in the 440, 880, mile, two mile, and mile medlay relays. The latter three of these garnered 11 1-2 markers to finish in second place.

As usual, a number of new records were set this year. New record holders are Don Stauffer, who eclipsed the Shillington Feld record of 13.2 seconds in the 110-yard low hurdles race by .2 second, running it in 13 seconds flat. Stauffer also set a new school record in the 200-yard low hurdles at 23.8 seconds. Herb Cunningham set a new school record in the mile by running this distance in 4:35 at the State meet. The mile medlay team (Mundorf—440, Wentzel—320, Drukenbrod — 220, Ken Cunningham—880) set a new mark at the Lebanon Relays by whizzing through the event in 3:51.8, breaking the old mark by 3.4 seconds.

Baseball

The 1951 baseball season was one of moderate success. The diamondmen copped the fourth place berth in the Section Two standings with six wins and seven losses during the windy season.

The Blue and White nine opened the season with victories over two non-league opponents when they topped East Donegal 7-1, on the Maytown diamond, and Manheim Central 19-1, on the Township field. John Wilson led the Township attack in the Manheim tilt with 3 hits out of 5 at bat, one of which was a grand-slam homer to right field. With two wins to their credit, the Streaks opened the league season at Ephrata where they dropped an 11-10 decision in a game which sam the lead change hands several times. Coming back to their home diamond, Township bounced back when they scored a 5-1 win over a visiting Columbia squad. The big gun for the Streaks in that game was John Shipe, who hit safely in 4 trips to the plate.

In the next two games the Blue and White found the going a little tough and bowed to Quarryville and McCaskey by scores of 5-1 and 13-0 respectively. The latter was a non-league tilt on their home diamond when they were topped 17-2 by Manor, the team which went on to be the undefeated Section 2 Champions.

Jumping out of league play for two games, the Streaks first traveled to McCaskey where they were defeated 5-2, and then to Manheim Central where they rallied in the final frame of the contest to clinch an 8-4 decision. Ephrata then visited Township to open the final half of the league agenda, and the Blue and White combined 6 safeties with 4 Ephrata errors to down the Mounts by a 3-1 score. It looked as if the Streaks had started to roll, but in the next tiff, Columbia set them down with 3 bingles as the Riverboro boys scored 6 runs in the fifth inning for a 6-2 win.

Township, however, bounced back and in the final home game of the season pounded two Quarryville pitchers for a 10-3 victory. The big blow of the game came in the second frame when Charlie Hoffman blasted a round-tripper into centerfield to score men on second and third. And, in the final game of the season, the Streaks traveled to Millersville where they were downed 8-2 by the Manor line.

First row—Bruce Goodman, Manager; Thomas Tremellon, Harold Frey, Bruce Fasnacht, Reed Cheney, Charles Hoffman, John Shipe, Jay Fulmer, William Foreman. Second row—Ivan Gerhart, Scott Nissley, William Mull, Ronald Stewart, Carl Drukenbrod, Richard Stover, John Wilson, Robert Wentzel, Mr. Paul Wenrich, Coach.

First row, kneeling—Dan Bare, Samuel Shull, Thomas Hammer. Second row, standing—Mr. Kreider, Coach; Jack Himes, Michael Byrnes, Harry Cantor, Bernrad Baymiller not shown.

Tennis

Under the tutelage of a new coach, Mr. Charles Kreider, last year's Blue and White netmen winded their way through an encouraging season. The fighting spirit of an entirely new undergraduate team was evident the entire season, and although their slate does not show a large number of victories, there is much promise for the coming year.
